

Blitz Build # 11 ~ Direction to build

The build site is located on Demorest Circle in the Stonewood subdivision in Fountain Inn.
Directions: Take I-385 south to the Harrison Bridge Rd exit. Turn left on Harrison Bridge Rd and go to the third traffic light (this is a "T" intersection with Main St.). Turn right onto Main St. and continue past the Bi-Lo and Burger King turning left on Weston Rd. Continue straight when Weston turns to the right (the road now becomes Woodvale Ave.) Turn left on Yorktown Dr. At the first intersection, turn left; this is Demorest circle. Our build is on the left as you enter the circle. Parking is available on Demorest, Yorktown & Havendale. When you park, remember to make sure that the residents are able to safely enter and exit their driveways. It is best to car pool when you can.
