

Golden Strip Church Coalition Habitat for Humanity

March 1, 2010
Volume 1, Issue 2

Spring Build 2010 Newsletter

No Hammer? No Hardhat? NO PROBLEM!

Are you someone who's been told that they should never pick up a hand tool?

If so, don't count yourself out as a **Habitat volunteer**.

There are many **Non-Construction** ways to help with a Habitat build – making phone calls, helping with registration, making and/or serving meals, being a go-fer and more.

To **volunteer**, see your Church Representative or contact Pam Creasy pcreasy@reynoldsblue.com

On February 26, the **Greenville News** published a front-page article about the first 2010 Greenville County build. The build honors the life of Derek Ledford and is offering Yolette Moise and her family the opportunity to own their own home.

If you've procrastinated about making a donation then **we need you NOW**. Contact Dave Geisler dherbg@innova.net for gift-in-kind donations. Financial support can be sent to Habitat for Humanity

Greenville County with a notation for **Golden Strip Church Coalition**.

Reminder, many employers will match an employee's donation!

Church Reps should have already received their 2010 Volunteer Packages. If you didn't, please contact Pam Creasy ASAP.

Did you know that children of home-owners are 50% more likely to attend college than those raised in rental housina?
